Ligue de Trail 2010 - RULES

The League will start in July 2010 and end in December. This will allow a League every calendar year from January 2011. The best 5 performances of 6 races run will be counted; the two events in August are considered as one race.

There will be a separate Women & Men league. All participants will be in categories – Senior (18-39 years), Master (40 – 49 years) and Veteran (50 – 59 years). The deciding age for categories will be July 17 and participants will thus run in a single category for the season. The races are open to all but an ID must be furnished before the race.

Maximum individual points achievable at the end of the year will be 252 points. Winners of every race gain 50 points, second place 49 points and so on to zero. The exception is the Parakeet SpinTV and Cross du Grand Piton which will be considered a single race and the results of each (50 points) added together then divided by two. In addition, everyone who finishes the SpinTV Parakeet Challenge in under 60 minutes gains 2 bonus points.

Rando-Trail & Nature while making every effort to ensure safe-running conditions, accepts no responsibility for accident or injury of participants. Trail marking ambiguities and getting lost are hazards of trail-running, and no complaints from participants will be entertained. Participants are encouraged to carry adequate emergency supplies and equipment - refer to our website www.randotrail.mu

The decision of Rando-Trail & Nature in league results are final and prizes for races and for the league will be dependent on raising sponsors.
